

Informational Events: Funding in Ohio for Technical Training

FREE EVENT for leaders to learn more about the Ohio TechCred program.

Presented by:

Learn more about Ohio's state reimbursement program for technical training in time for the next funding round.

Join us for our next event about Ohio TechCred, where you'll have the opportunity to learn more Ohio's reimbursement program available to eligible employers for maintenance technical training skills.

Our free informational events allow you to hear directly from program experts: Matthew Kibler, Director of Business Development at Custom Training Solutions, LuAnne Cooke, Liaison to the Ohio Lt. Governor, and Rich Barcum, President of Cardinal Compliance Consultants. Together, they'll explain what the program is, who is eligible, how to apply, and what credentials are included.

Businesses of all sizes from any industry are eligible to receive up to \$30,000 per funding round and up to \$180,000 per year in reimbursement when credentials are earned. This is a great tool to give Ohio employers the ability to build the workforce they need by providing the right training for their staff.

Trained employees are
safer employees
